4 Weekly Session

27 October
3 November
10 November
17 November

Please contact the school office
to book your sessions.

Our 'Get Set for Prep' sessions offer Prep eligible students with the opportunity to engage in activities within the classroom environment at Worongary State School, become familiar with our outdoor play area whilst also connecting with other children who are enrolling at Worongary State School.

Parents/caregivers are required to remain on school campus during this program that runs for approximately 1 hour.

As part of the Get Set for Prep sessions the children will receive:

- A story book titled 'I'm Going to Big School,' which shows them what Prep is like at Worongary State School.
- A 'Countdown Calendar,' which will help support children to count down and get ready for their first day in Prep.
- A personalised 'Activity Card' all of which are intended to promote conversations at home to support getting ready for Prep.

Once an enrolment application is received, Parents/Guardians will be able to secure a group session. Group sessions will run across 4 consecutive weeks and each group session will provide children with new experiences as they become more and more familiar and comfortable within the Worongary State School environment. These experiences will also provide families with specific topics of conversation in order to support your child for the very important milestone as they transition to school.

Worongary State School
Providing a great start as lifelong learners.
